# GREETINGS

## Greetings from the staff!

**WOW!** It is already 2010. We're having fun, and time is rushing by. This past year has been an eventful year for all of us. We have made a lot of new friends, but we have lost the loved ones of some of our good friends. Our lives can change in an instant. If we have strong friends behind us, we can feel the strength from them strengthening us when we need it most. Our purpose in this business is to provide whatever you need to enable you to enjoy the art of sewing and help you have fun along the way.

Some of the things we did in 2009 have moved us along in enjoying our embroidery machines. Now, Sewingly Yours is proud to offer Baby Lock® machines. Baby Lock® machines and sergers are a great addition to our family. Baby Lock® customers are excited about us carrying their brand. It's really fun to show off our new "Baby"!

The Floriani® show was great fun, and we have already booked a show for this year! The Anita Goodesign Show was awesome! We believe all of you that attended weren't finished when the show was over. Well, everyone get ready, because we are planning a two-day sewing bash with Anita Goodesign in the near future. Sue Hausmann will also be joining us in August.

We have three new teachers joining us in this edition of *News + Notes*. It's time for you to start picking your classes. Give us a call and sign up. Don't put it off, because if we don't have a minimum of three participants, the class won't meet. The maximum number of students per class is eight.

Thank you for your loyalty to us. We look forward to seeing every one of you in the next four months!
